Scout Hut Needs New Roof

Leaking roof could cause hut closure and irreparable damage

Time takes its toll on all things and it appears that the scout hut roof is no exception.

After years of exposure to the British weather the roof has finally succumbed. The roof is leaking in several places and will cause serious damage to the integrity of the buildings structure if left for another winter.

We are looking for anyone who can offer assistance in any way to repair the damage.

We are looking for materials and skilled individuals or even companies wishing to help this long serving community building.

Please contact 01902 851895 or via the group website www.2ndbrewoodscouts.org.uk

The Brewood Scout Fundraisers

In 2008, the 2nd Brewood Scout Group were informed that Staffordshire County Council, on whose land their existing scout hut sits, wanted to sell the land to help balance their budget. Over the last two years our mobilisation of gracious support from within the community as well as an organised campaign of objection, coupled with a change of leading party within the Council, meant that the imminent sale of the land was halted. It is far too soon to know whether this is merely a stay of execution or a full pardon, but either way it has provided the Brewood Scouts Fundraisers, or BSF, (a fundraising committee of the Group) with a respite during which to raise money to ensure the long-term survival of scout headquarters in Brewood and the continuation of our scouting activities should the sale be revived.

SCOUT NUMBERS RISE IN BREWOOD

2nd Brewood Scout group are experiencing a growth in numbers as more and more young people enroll.

The group is growing thanks to a positive image, an enthusiastic leadership team together with the wide variety of activities it is providing the youth of the village.

Group Scout Leader Ian Morris has transformed the leadership group and given them the freedom to express themselves while maintaining the traditional adventure of scouting.
